A photograph of an operating room. In the foreground, a surgical table is covered with a blue cloth. Above it, two large, circular surgical lights are mounted on a ceiling arm, one of which is illuminated. The background shows a clean, clinical environment with various medical equipment and a white wall.

A collection of medical consumables is displayed against a white background. In the center is a clear glass vial with a black cap, covered in condensation. To its right is a white medical device with a blue handle and a blue arrow pointing down. In the foreground, a syringe with a blue plunger and needle lies horizontally. To the left of the syringe are three white sugar cubes. The items are reflected on a white surface below them. A dark blue horizontal band is overlaid across the middle of the image, containing the text 'OTHER CONSUMABLES' in white, bold, sans-serif font.

A medical syringe with a white plunger and a clear barrel is shown at an angle. The barrel has markings for 1, 2, 3, 4, and 5 ml. A blue needle is attached to the syringe and is inserted into the top of a clear glass vial with a blue cap. The vial is tilted and appears to contain a clear liquid. The background is white.
